

Dear Community Member:

The Teal Journey Ovarian Cancer Foundation was formed on May 20, 2016. The Teal Journey Ovarian Cancer Foundation's mission is to promote awareness and educate the local community on the signs and symptoms of Ovarian Cancer and to support advocacy and awareness of early detection to women and men along the Central Coast. The foundation is dedicated to comforting those currently battling ovarian cancer and supporting research which will aid in finding a cure for this deadly disease.

The Annual Fashion Show and Luncheon is a day full of empowerment and fun all while learning about the signs and symptoms of ovarian cancer. This year's 5th annual event will be held on Saturday, April 4, 2020 at The Radisson Hotel.

We would like to include you or your business as a supporter of this worthwhile cause by asking you to make a contribution to the silent auction with a donation of a service, merchandise or gift certificate. We encourage you to include business cards, brochures, or any other marketing materials you would like to accompany your donation.

Thank you in advance for supporting the mission of The Teal Journey Ovarian Cancer Foundation.

Thank you for your Generous Support!

All Donations Are Tax Deductible
